The Beeline Of 1958

Kinde, Michigan

FOREWORD

With the passing of time, the echoes of our school life will grow fainter and fainter, and then die away. Gone forever will be the routine of school life, the fun we had, and the friends that we made. It is the hope of the 1958 BEELINE Staff that, as you glance through this book in the years to come, you will recapture those moments — and the echoes will begin again.

dedicated

To our Mothers and Fathers---
whose interests have been in the improvement of our lives---whose love and encouragement have been inspirational---and whose never ending sacrifices have made possible these four years of high school---we respectfully dedicate "The Beeline of 1958."

graduation

For the Student there is always the goal of graduation. It's there, though far ahead into the future. It seems far away at the beginning of the Freshmen year. But "like moments brief the years have fled", and graduation at last is here.

With senior status many honors become available. Some of these must be earned over the whole four years; others may be won in a briefer performance. All are very satisfying because they are as recognition of achievement.

Mr. Hall

Early in the school year, when students were just getting used to the new class schedule, the Beeline and Stinger staffs began work behind closed doors, enveloped in an atmosphere of traditional secrecy. In spite of the pressure and headaches, everyone who took part in the production of the '58' Beeline and the Stinger, felt satisfaction in a job well-done. Both of the staffs were directed under the advisorship of Mr. Hall and Mr. Hanford.

The presence of this spirited group at all the football games, basketball games, and the pep rallies insured hearty cheers and encouraging shouts for North Huron. No one can estimate their value in keeping up team spirit and drive. Musch of our athletic success can be attributed to these staunch supporters and hard workers. All of North Huron owes them a vote of gratitude and a rousing three cheers.

FUTURE HOMEMAKERS OF AMERICA

Future Homemakers of America is an organization sponsored by Miss Sherman, for the purpose of building better and happier homes in the future.

Membership in the F. H. A. consists of girls who have an interest in home - making and have taken, or are taking a homemaking course.

Included in the club's activities this year was the annual initiation of new members, which is one of the more serious events. The work of this organization will surely contribute to the making of happier homes in the future.

The Future Farmers of America, or "FFA" as it is more commonly known is an intra-curricular activity having its origin and root in a definite part of the school curriculum -- vocational agriculture. Among other things, members learn through active participation how to conduct and take part in a public meeting; to speak in public; to buy and sell cooperatively; to solve their own problems; to finance themselves; and to assume civic responsibility. The foundation upon which the Future Farmers of America organization is built, includes leadership and character development, sportsmanship, cooperation, service, thrift, scholarship, improved agriculture, organized recreation, citizenship and patriotism.

SENIOR BAND

To entertain, foster school spirit, and represent N. H. H. S. at county and state music festivals is the goal of the band. Membership in the N. H. H. S. band is open to anyone who can play a musical instrument.

Always one of the busiest musical organizations at N. H. H. S., the band made the '57 - 58' school year an exciting and satisfying one by participating in many musical events.

By marching at several football games and by presenting several public concerts, the band proved that a high school band can provide entertainment for the community as well as for the school.
